GEAR NOTES · OCTOBER 6, 2026

The Grinder That Sits Next to the Machine

Why a conical burr lives on The Morning Sip bar, next to the Fellow, and how it stops the weekday grind from becoming a guessing game.

ON THE BAR

Stop guessing the grind. Put a conical burr next to the Fellow and dial it once.

WHAT IT IS

OXO Brew Conical Burr Electric Coffee Bean Grinder. Twelve-ounce hopper, silver, one-touch.
